	Tuscan Cannellini Beans	852405002499
	Better Baked Beans	852405002482

**Better Bean is Just Better**

Better Bean makes its beans with a few quality ingredients, carefully prepared. They're cooked fresh, never in a can. Our beans are sauteed to create a rich, caramelized flavor for any meal or snack.

**Dear Local Store,**

I enjoy the brand Better Bean and would love to have their products available in this store's refrigerated deli section.
